February 5th, 2010

Parents and Students:

There will be a Professional Development Day ***February 10th***, this means that there will be no classes for students on that day. There will be regular classes for all other days that week.

We have a **catering company** that will be providing services for Roncalli staff and students as ***of February 15th***. I would like to take this opportunity to say thank you to all those who volunteered with our fund-raising, through the canteen - parents, students, and staff. This has been a profitable endeavor for Roncalli.

Students and communities have been invited to participate in a **contest to name our new school**. Posters are located on the Roncalli webpage and at each local post office.

There will be a presentation for students concerning Drugs and other Issues facing teenagers. It will be a one hour presentation ***February 11th***. This same presentation will be given for parents Wednesday, ***February 10th at 7 pm***, here at Roncalli.

Report cards will be distributed to students ***February 12th***, followed by Parent-Teacher interviews from 2 to 6 ***on February 16th***. If you can not make it on that day, please call the school and set up an appointment with any teacher you need to see.

There is a community fund-raiser taking place at Roncalli this Saturday night, ***February 6th***. It is hosted by local community volunteers, who have requested to use our school. It is not a school event. This worthwhile event is to raise funds for Haiti. Please show your community involvement by being a participant or an audience member.

February 14th is not only Valentine's Day; it is also Janeway Day in schools across our province. We will distribute envelopes to each of our homeroom classrooms on ***Monday February 8th***. We are asking all students to contribute what they can to this envelope throughout the week, and on February 14th will be send this amount to the Janeway. As well, there will be some fundraisers taking place at Roncalli on ***Monday the 15th***.

There is lots happening at Roncalli. Our students are very actively and positively involved in their school and communities. Please use our website at www.k12.nf.ca/roncallips to keep up on our activities and your child's homework.
